Majoring in Computer Science

▭ 2017-2018 Highschool, Reykjavík university
Highschool degree from Reykjavík university (ice. Háskólabrú)

experience

2020	**Online sudoku game**	Web game
	Sudoku game.	
2020	**Simple IRC chat copy**	Web app
	This project is a super simple version of the old chat software IRC where one can create channels and has main admin commands available to him. And anyone can join that newly created channel.	
2020	**Database web app**	Web app
	I made this for a person i know that needed some database and a search tool to store information for faster lookup and transition from paper folders.	
2021	**Akstur - Bókhald ökukennarans.**	Progressive Web App
	Progressive web application for driving instructors booking and to keep track of student progress. This app is a website that can be installed like an phone application and can work properly with poor internet bandwidth.	
2021-2022	**MySoccerSkills**	IOS mobile app
	A mobile application training app for soccer players
